A FREE PRINTABLE FROM CANDID

# Date Night Question Pack

*30 questions for two, from easy to close.*

How to play: take turns. Read one out, both answer.
Either of you can pass on anything, no reason needed.
You don't need all thirty. One good one can fill a night.

# Warm up

*Easy ones, to get you both talking.*

01 What's a small thing I do that you'd miss if I stopped?

02 Which of our dates would you happily repeat next week?

03 What did you almost tell me today but didn't?

04 What's a smell or song that makes you think of us?

05 If we had a free Saturday and no budget, how would you spend it?

06 Which of your opinions have I quietly rubbed off on?

07 What's a room or place where you relax around me fastest?

08 What's a tiny ritual of ours you never want to lose?

09 What were you like at nineteen, and would you have liked me?

10 What's one thing you're quietly proud of this month?

# Closer

*Slower now. Either of you can pass.*

01 What's something you want more of from me, said kindly?

02 When did you last feel really looked after by me?

03 What's a worry you've been carrying on your own lately?

04 What do you think I don't know about you yet?

05 Which part of our life together feels most like home?

06 Which kind word from me has stuck with you longest?

07 Where do you hope we are in five years, honestly?

08 What's a moment you felt close to me without either of us speaking?

09 What's one thing we argue about that we could laugh about instead?

10 What do you want to be asked more often?

# Later tonight

*Flirty, never explicit. Go as far as you both like.*

01 What's the first thing you noticed about me, physically?

02 What's an outfit of mine you secretly have opinions about?

03 Describe your perfect slow evening at home, start to finish.

04 Where's somewhere unexpected you've wanted to kiss me?

05 What's a memory of us that still makes you blush?

06 What's something you'd like to try together but haven't said?

07 What does a really good night with me look like to you?

08 What's one word for how you want to feel tonight?

09 Which of my habits do you find more attractive than you let on?

10 What would you like me to do more of, without being asked?

# Want the deck to do the asking?

Candid is a private card game for two, for iPhone and iPad.

Desires: you each pick privately, and only what you both chose is revealed.

Guided Mode: a paced night with a limit you set together before you start.

Truths, dares, Through Your Eyes, Talk It Through and Daily Notes.

Plenty is free with no daily limit. Data Not Collected. 18+.
